Application & Participant Information

For Application and Participant information please visit: <https://www.thehenryford.org/participants/>. **Please check the above link frequently, as this page will be updated with the most current information as it comes in.**

A mailing containing Check-In information, including the location and a map, will be sent near the end of May. Also included in the mailed packet will be your vehicle dash card(s), historic parking zone assignment, and other important pertinent information, including:

- **Vehicle Dash Card (DISPLAY FOR THE EVENT WEEKEND)**

Unique to you and your historic vehicle, your dash card provides important information (generated directly from registration details you provided) for our parking crew, narrators, and guests. **Following onsite check-in, it is important to immediately place the card in a visible location on your vehicle and leave it in place at all times while inside the Village.** (Note: reprints are available at the information booth in front of Town Hall on Saturday morning.)

If the card has incorrect information, please email the corrections to us at ParticipantInfo@thehenryford.org.

- **Historic Parking Zone Placard (DISPLAY AFTER CHECK-IN TO PARKING LOCATION)**

The historic parking zone assignment will be printed on a designated colored sheet and is specific to your vehicle(s) year. After checked-in, place the colored zone placard on the dashboard of your participating historic vehicle(s) to allow our parking attendants to direct you once inside the Village.

Onsite Check-In Procedure & Credentials

Specific parking instructions will be announced in the weeks leading up to the event. We accommodate overnight parking for modest-sized campers, motorhomes, and trailers in a modern parking lot located on our campus. Please note there is no water or electrical hook-up available.

It is preferred that you unload your modern equipment in the modern parking lot and drive your historic vehicle into the Village. However, if you need to bring any modern vehicles or trailers into the Village, please be aware that **modern vehicles of any kind are not allowed in Greenfield Village during these hours:**

❖ **Any time on THURSDAY – this has been reserved for packet pick-up only.**

- ❖ **Before 5:30 pm on FRIDAY**
- ❖ **9:15 am – 9:30 pm on SATURDAY**
- ❖ **9:15 am – 5:30 pm on SUNDAY**

Alternatively, you may also drop off and/or pick up a modern vehicle before opening (9:30 am) and after it closing (9:00 pm on Saturday, and 5:00 pm on Sunday). You may also drive your historic vehicle in and out of Greenfield Village as needed throughout the weekend.

For the duration of the event weekend, including the Friday night of check-in, a continuously running shuttle service will be available to all participants. You must be wearing your participant wristband to ride these shuttles. They will pick up from our modern parking lot locations and will drop off in the Eagle Tavern parking lot.

➤ **Amenities:**

To rent a scooter or wheelchair, please visit the Concierge Office, located to the right of the Village Ticket Building. *Please note:* Scooters and wheelchairs cannot be reserved, and are issued on a first come, first served basis. It is recommended that you arrive as close to 9am to ensure a reservation.

Handicap Parking is not available in the Eagle Tavern parking lot. Our shuttle services allow for easy access to and from your modern vehicle(s). At least one shuttle is **ADA compatible**. As always, guests are permitted to drive in any modern equipment to drop off guests before 9am both Saturday and Sunday.

**** THANK YOU, MIXER! Please join us Friday night from 6:00 pm-9:00 pm for an informal meet-and-greet among fellow participants at the Lodge! Light food, beverages and music will be provided. Please stop at check-in first and park your vehicle(s) in the designated area before attending. Parking vehicles at the Lodge is prohibited and we ask that you stage your historic vehicle in your assigned parking zone first and walk over to the Lodge, and/or drop your modern vehicles off at our modern parking lot location and take the shuttle to the Mixer. Shuttles run continuously throughout the weekend.**

Event Days

Please see the official program (available at check-in, at the information booth in front of Town Hall, and at the Village front gate) for additional event specific information.

- Greenfield Village is to the public for this event from 9:30 am-9:00 pm on Saturday and 9:30 am-5:00 pm on Sunday. You are expected to showcase your vehicle during these times.
- Historic vehicles will be displayed throughout Greenfield Village in rough chronological order along the roads for guest viewing. Ramps or docks for unloading and loading are not available, nor is covered parking. Some vehicles may be used in historical vignettes.
- You may cover your vehicle overnight; however, it must be uncovered before 9:30 am the following morning, when the event opens to guests. Small, unobtrusive shade tents may be used during the show.
- Please note that as a multi-venue institution, there may be evening weddings or other activities taking place in Martha-Mary Chapel, Eagle Tavern, or elsewhere in the Village, in Lovett Hall, or in the Museum.

➤ **Pass-in-Review**

A number of special presentations take place at the Main Stage on Main Street at Washington Boulevard. Our Pass-in-Review (times are listed in the official program) is narrated by expert automotive historians who share

vehicle details, unique and innovative features, and related commentary. The activity features preselected participants will be notified when it is time to proceed to the Main Stage with their vehicle.

➤ ***Awards and Highlighted Activities***

Please see our official program (available onsite) or our website for the most up-to-date information on event details.

Car Games - Will also be held on Walnut Grove. The games *really* give you an opportunity to show off your vehicle and your driving skills. They allow our guests to see you and your car in action in a fun setting and help put the "festival" into the event. We have scheduled the games to make it easy for you to get involved. All participants receive a ribbon for playing in the Car Games. You can participate as often as you like on either or both days, but you will receive only one ribbon.

Gaslight Tour - Beginning at 7:00 pm as darkness falls, all are invited out into the streets of Greenfield Village for the Gaslight Tour. Whether it's gas, kerosene, or early electric, all are welcome.

Special Evening Entertainment with live music is presented for everyone on Saturday evening at 7 pm. See the official program or our website for more information about this offering, and for times and locations of other fun activities for the whole family throughout the weekend.

Vignettes of the Decades is a car show favorite! Look for special sights, sounds, and activities of decades past as we celebrate our history.

Popular Choice - Guests and vehicle owners cast their vote for their favorite vehicle by filling in the ballot using the participant number shown on the Dash Card displayed on your vehicle. One overall 1st, 2nd, and 3rd place awards will be presented on Sunday at approximately 4:30 pm.

Curator's Choice is awarded to the best preserved, unrestored cars. Very few vehicles have had no restoration work, and these awards allow our curators the opportunity to review vehicles that are both unrestored and unmodified from their original condition. This review has no bearing on whether a vehicle is accepted or denied participation in the event. Two Curator's Choice awards are presented on Sunday.

Vehicle Class Judging - Judges examine the authenticity of the vehicle, the workmanship of all the restoration work, and the quality of maintenance performed by the owner. Then, using a 400-point judging system, they determine a first, second, and third place winner in each of the eleven (11) judging classes. From these winners, one (1) Grand Champion is chosen on each day of the Festival.

THANK YOU!

As a participant, you occupy an unusual position during this program. Not only are you a respected guest, but you are also a representative of The Henry Ford! Help make guests' visits memorable by showing a genuine interest in them, sharing in their excitement, and engaging in some friendly conversation. We understand that we may ask more of you at our program than at other events you attend, and we are so appreciative of your efforts. We are grateful for your active participation in this year's event! THANK YOU!
